Re: Transmittal of Resolution Establishing Holmes County, Ohio as a Single-County Solid Waste Management District (SWMD)

Dear Sir:

On behalf of Holmes County, please find enclosed a resolution approved this date by the Holmes County Commissioners establishing a single-county SWMD encompassing all of the incorporated as well as unincorporated territory of Holmes County, Ohio.

The creation of said district and the formal establishment of the local Solid Waste Policy Committee follows upon your final order of February 17, 1989 granting to Holmes County a waiver of the 120,000 population requirement in accordance with Section 3734.52(C)(1) of the Ohio Revised Code.

I trust this resolution will serve to fulfill the repsponsibilities of the County to establish such SWMD prior to March 24, 1989.

Should you have any questions or require further clarification concerning this matte , please contact the Commissioners' office at (216)674-0286 or call this office at the number noted above.

Sincerely,

Thomas R. Morganti
Planning Director

RESOLUTION

WHEREAS, the Board of County Commissioners is concerned about the future of solid waste disposal within Holmes County, Ohio for the purposes of protecting the environment as well as the citizens and the commercial and industrial interests of the County;

WHEREAS, Holmes County, Ohio, through the Board of County Commissioners, presently owns the Holmes County Landfill and causes the operation of said facility under the conditions of a PTI as approved by Ohio EPA effective March 28, 1985;

WHEREAS, Holmes County, Ohio, through the Board of County Commissioners, intends to apply for an exemption to the minimum population requirements for the formation of a single-county solid waste disposal district encompassing all of Holmes County, Ohio in accordance with Section 3734.52(C)(1) of the Ohio Revised Code; and

WHEREAS, Holmes County, Ohio, through the Board of County Commissioners, must demonstrate, through an application process, that the County has an existing solid waste disposal facility with a remaining capacity greater than ten (10) years as recognized by Ohio EPA.

NOW, THEREFORE BE IT RESOLVED that the Board of County Commissioners hereby authorizes the preparation and filing of an application for exemption to the minimum population requirements for a single-county solid waste disposal district in accordance with Section 3734.52(C)(1) of the Ohio Revised Code;

BE IT FURTHER RESOLVED that said application attached herewith has been prepared at the direction of the Board of County Commissioners who herein certify that, to the best of the Board's knowledge, the representations made in said application are true and accurate and provide sufficient solid waste management facility capacity for the disposal of waste generated in the service area of Holmes County, Ohio for a minimum of a ten (10) year period as required by the Ohio EPA and the Ohio Revised Code; and

BE IT FURTHER RESOLVED that, as owners of the Holmes County Landfill, the Board of County Commissioners certifies that such facility shall be used to meet the solid waste disposal needs of Holmes County, Ohio for the required ten (10) year period and beyond that to the full use of the capacity of the facility.

Mr Nowels moved the adoption of the above resolution, seconded by
