The 12.5' off West side does not appear on the Auditor's Records under this name. When the piece was split to Patterson, the auditor transferred the entire lot to him. From that point on Patterson sold a portion of the 12.5' to Glenmont Village by deed 114/424 and then sold the balance of his property to Robert Spitler on deed 137/543. Robert Spitler then split a piece to John Barnes on deed 141/598 which also covers part of this 12.5' (Plat 3/79).
